Update Your Personal Records And Family Protection

Address changes? Have you notified the ATS Home Office of your new address? Have your adult children changed their addresses?

Beneficiary changes? Was there a marriage, divorce, death, etc., in your family which would require you to make a change of beneficiary on your Life Insurance or Annuity Contracts? Take care of it right away! Senior citizens tend to neglect this, so remind them!

Did the stork visit you recently? Did a new son or daughter arrive recently? Congratulations! Don't forget to make him/her an ATS member by purchasing a Life Insurance or Annuity plan so the he/she can benefit from our fraternal programs.

Do you need more life insurance? Do you have enough life insurance protection for yourself and your family? Chances are you should have better coverage! Call you Local ATS Deputy.

How about an ATS Annuity or IRA Plan? Are you saving for your retirement needs? ATS Annuity Plans offer you a safe way to increase and protect your savings while providing tax sheltered growth. Call you Local ATS Deputy and strengthen your financial future.

PRESIDENT'S MESSAGE

By Thomas J. Manning
ATS Nat'l President

It seems that Old Man Winter is really making up for the past two mild Winters that we have had here in the wintry North. We have been busy with snow removal almost every day since the end of November. And, of course, Murphy's Law applies most of the time. As soon as the job is completed and the sidewalks, driveways and driveway aprons are cleared of the snow, along comes the city plow and we have more cleaning up to do. I believe that I am still fortunate that I do not live in any of the upper Midwest states like Minnesota or the Dakotas. Those states are really getting hit especially hard with the most severe freezing temperatures plus the extra heavy snowfall.

As I write this column, the first round of the NFL playoffs is over. A couple of the games were very close in scores, especially when the Indianapolis Colts came from behind to win over the Kansas City Chiefs. It was one of the largest comebacks in NFL history. Then, the San Francisco 49ers beat the Green Bay Packers with a field goal as time expired. I hope that the remainder of the playoff games are just as exciting. You don't have to be a dedicated football fan to enjoy these close games. I look forward to an exciting and unpredictable Super Bowl.

By now, our local branches have held their elections of officers for the year 2014. I congratulate all those who have been elected, and thank them for serving their branch. I also remind all of the branch secretaries to be sure to send an updated roster of branch officers to the Home Office. This information is necessary for our ATS records.

With the new year upon us, it is also the time when we start compiling all our information that is required for your 2013 Income Tax Return. It would be great if each of you would receive a refund so you can either purchase an ATS Life Insurance Policy or an ATS Annuity. You could also make a deposit into your existing annuity. You could not make a better decision.

Quote of the Day: "The best way to cheer yourself up is to try to cheer somebody else up." When we help others cope with their problems, it somehow makes our own seem less pressing. The advice we give - count your blessings; this too will pass; what doesn't kill us makes us stronger - can't help but affect our own thinking. If we distract others from whatever it is that's weighing on them, we'll be distracted from our own burdens as well.

Take care until next time and may God bless the members of the ATS.

Using exercise to treat Parkinson's disease

There is increasing evidence that regular exercise is important when it comes to maintaining health and independence in those who have with Parkinson's.

A Mayo Clinic review of research shows that exercise can reduce the risk of developing Parkinson's by 35 percent. For those who already have it, the protective effect of exercise appears to improve cognitive and motor skills, as well as increasing longevity.

Additionally, exercise reduces the risk of dementia and Alzheimer's disease, and it may improve cognition in people who already have dementia.

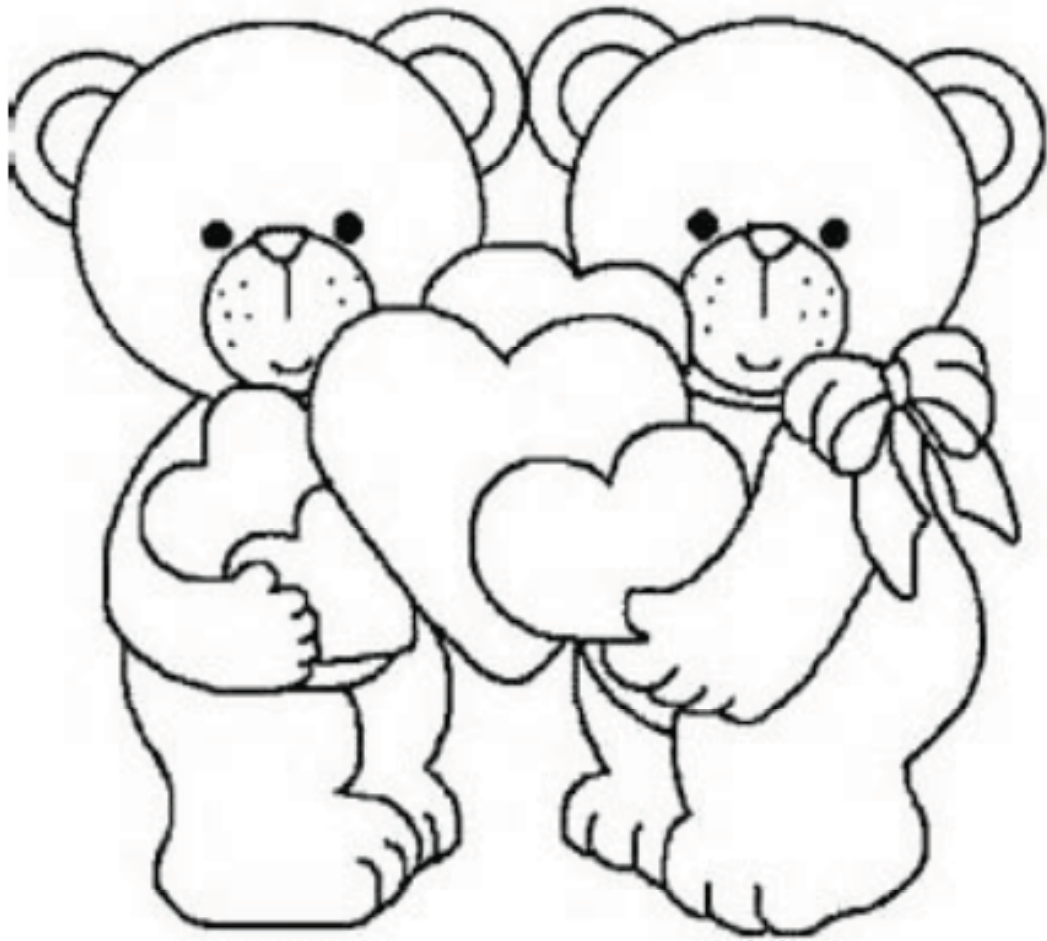

The Mayo Clinic experts advocate stretching, exercise and physical fitness as key for Parkinson's management. Parkinson's develops slowly, meaning that the patient could develop other diseases during its progression, such as heart disease, diabetes and depression, all of which are problems that regular exercise can prevent or treat.

For best results, exercise 30 minutes a day, five days per week.

Radler Family

I am searching for information on the Radler family. My great grandfather, John Radler, came to this country in 1907 from Pretai, Transylvania. He was married to Mary Unger and they settled in Monaca, PA. Later, he married Sarah Kurtz.

John had a brother and two sisters. His brother Andrew married Regina Maurer and they settled in the Columbiana OH area. His sister, Sarah Radler, married Peter Binder and they settled in Erie. His other sister, Regina Radler, married Michael Theil and they settled in Monaca. She died early in life.

I am looking for any further information on any of these families. If you have any information, please email me at chipper119@comcast.net. Thank you!

Try a smile

Researchers found smiling can reduce stress levels and lower the heart rate while performing difficult tasks.

Writing in Psychological Science, the authors tell how they studied the effects of different types of smiling in difficult situations.

Tara Kraft, of the University of Kansas, said: "Age old adages, such as 'grin and bear it' suggest that smiling is an important nonverbal indicator of happiness. Those who smiled after stressful tasks showed a decline in heart rate and faster recovery from stress."

The lost

Lost chances, goals abandoned, these are the past and future things that caregivers ponder:

"The past is gone and the future is still to happen. Only the present moment is real. I believe we all know this very well. I have used many techniques aimed at focusing the attention on the present, while releasing attachment to past and future. I warn you, learning to be in the present requires lots of hard work, time and money. Yet there is one circumstance when results are immediate, with no effort and also free of charge. This is when both looking ahead or backwards is so painful, that the only option is looking straight into the present. If it is the case for you now, rejoice, this may be a great chance, and you are in good company!"

Franco Santoro

BRANCH 11, LORAIN

By Monica Gilles

We started the New Year off with our monthly meeting on Saturday, January 4 with a good turnout of members. A few of our regular attendees were missing due to illness but we look forward to seeing you next month.

Everyone agreed the Christmas dinner was nice. Everyone enjoyed their meal. We collected 71 pounds of food for Second Harvest Food Bank. Great job!

The plans for the ATS Convention are coming along nicely. The next planning committee will be Tuesday, January 28 at 7pm at Michael Johnson's house. His address is 41868 Earlene Court in Elyria. The committee is looking for any pictures our members might have from over the years. Please contact Jane Mowery at 440-246-3004 if you can help.

We would like to welcome and congratulate our newest officer, Juliana Johnson. Juliana will be taking over as trustee for Nancy Kranstuber. Thank you Nancy for all your hard work

and dedication over the past several years. The remaining officers for 2014 are President Jeanne Petty; Vice President Jane Mowery; Treasurer Ginger Romes; Financial Secretary Sharron Powell; Sgt at Arms Arleen Gilles; Recording Secretary, ATS Secretary, Deputy, Reporter Monica Gilles; Trustees Arleen Gilles and Elaine Johnson.

Normally, every 3 months, our trustees would prepare a meal before our meetings. We have changed things this year. Due to unforeseen circumstances, we did not have a meal before the January meeting. So we will be having that meal before the February meeting. But instead of the trustees preparing it, we will be going out to eat. The trustees are going to be in charge of handling all the arrangements. So before the February meeting, we will be meeting for dinner at Bob Evans on Leavitt Road in Amherst at 6pm. Please contact Juliana Johnson at 440-225-5256 by January 31st so she has a head count to give the

restaurant. After dinner, we will do travel to Slovak Home for our monthly meeting.

Also, at the February meeting, we will be celebrating Valentine's Day. Please bring a small Valentine's gift to exchange.

With all the craziness of the holiday season, I neglected to send birthday greetings to our December ladies. They are Paula Dickason, Arlene Jones, Nancy Kranstuber, and Suzanne Koepke. Those celebrating birthdays in January, both on the same day, are Carolyn Mroski and Josephine Schneider. Happy 90th Grandma!

Don't forget to order your Saxon Sausage from the Westside Sachsenheim. More details on how to order can be found in the *Volksblatt*.

Nancy Kranstuber, who was present at the meeting, won the attendance prize. Betty Ralph won the door prize.

Our next meeting will be Saturday, February 1, 2014 at 8 pm with dinner beforehand at Bob Evans at 6 pm. Don't forget your Valentine gift. Also, please remember to pay your local dues. You can drop them off at the meeting or mail them to Sharron Powell, 2308 Mark Drive, Lorain, OH 44053.

We remember our Sisters and Brothers who have departed this life in recent days. Our sincere sympathy is extended to the members of the bereaved families.

Money Tip

One of the best retirement plans is to simply retire your debt before you do. Many people are going into retirement with debt, but this is a bad financial strategy. In the last ten years, personal bankruptcy filings among those over age 65 jumped by 150 percent. While medical bills can play a large role in this, it is more often a combination of those bills and debt carried over from their working days. When planning for your retirement, take into account what you need to do to eliminate your debt, including your mortgage before you retire.

Milestones: The life of Martin Luther King, Jr.

It's hard to believe but, were it not for the assassin's bullet, the iconic, legendary leader of the civil rights movement might still be alive today at age 85.

Martin Luther King, Jr., was born on January 15, 1929, in Atlanta, Georgia. He was murdered at the tragically young age of 39.

Here are some other facts about Dr. King.

- His father was born "Michael King", and Martin Luther King, Jr., was originally named "Michael King, Jr." The family traveled to Europe in 1934 and visited Germany. His father soon changed both of their names to Martin Luther in honor of the German Protestant leader Martin Luther.

- King sang with his church choir at the 1939 Atlanta premiere of the movie *Gone with the Wind*.

- Growing up in Atlanta, he attended Booker T. Washington High School. A precocious student, he skipped both the ninth and 12th grades and entered Morehouse College at age 15.

- He married Coretta Scott, on June 18, 1953, on the lawn of her parents' house in her hometown of Heiberger, Alabama. They had four children; Yolanda King, Martin Luther King III, Dexter Scott King, and Bernice King.

- King became pastor of the Dexter Avenue Baptist Church in Montgomery, Alabama, in 1954. He was 25.

- Inspired by Gandhi's success, King visited Gandhi's birthplace in India in 1959.

"All men are created equal."

The trip affected King in a profound way, deepening his understanding of non-violent resistance.

- King was influenced by Jesus, Abraham Lincoln, Benjamin Mays, Hosea Williams and Bayard Rustin.

- On December 1, 1955, Rosa Parks was arrested for refusing to give up her seat on a bus in Montgomery, Alabama. King helped organize The Montgomery Bus Boycott, lasting for 385 days. The situation became so tense that King's house was bombed and he was arrested at one point. Then, the United States District Court ruled to end racial segregation on Montgomery public buses.

- In 1957, King, Ralph Abernathy, and other civil rights activists founded the Southern Christian Leadership Conference (SCLC). King led the SCLC until his death.

- Given on August 28, 1963, his "I Have a Dream" speech is among the most acclaimed in U.S. history, and 2013 marked its 50th anniversary.

100th anniversary of the \$5 per day minimum wage

Henry Ford announced that all employees would receive \$5 per day as part of his 'profit sharing' and 'efficiency engineering plan.' Ford also created a sociological department that determined whether a worker had good personal habits. If so, he could receive the minimum wage.

Thomas Städter: Hiemet

Sehnsucht nach der verlorenen Heimat, die Erinnerung daran, nehmen im Gefühlsleben der älteren Aussiedlergeneration oft genug großen Raum ein.

Entsprechend häufig werden sie im dichterischen Schaffen dieser Menschen zum Ausdruck gebracht, wie wir dies auch bei Thomas Städter sehen. Er wurde 1932 in Hammersdorf, nahe Hermannstadt, geboren und lebt heute mit seiner Frau in Langenau (Baden-Württemberg). Der Sohn, Prof. Dr. Thomas Städter, der uns das Gedicht geschickt hat, schreibt über seinen Vater: „Die Verbindung von Heimat und Glück ist seine Lebensphilosophie, die sich auch in seinen Gedichten widerspiegelt.“
